

SPINNER U5-630

Product code	89-001429
Manufacturer	SPINNER
Model	U5-630
Type	5-Axis machining center
Condition	Used machine
Control	Siemens 840 Dsl
Year of manuf.	2022

In general

Traverse paths X/Y/Z

630/530/465 mm

Spindle

Technology

Motorised spindle

Speed

20,000 rpm

Tool holder

HSK 63

Media feed-through

Blown air + cooling lubricant

NC swivel table

B-axis

-90° / +110°

C-axis

360°

Clamping surface

650 mm

Max. table load

500 kg

Clamping

Hydraulic

Tool magazine

Technology

Chain magazine

Number of stations

54

Tool changer

Double gripper

Equipment

Measuring systems

Direct in all axes

Chip disposal

Chip conveyor

Coolant supply

IKZ system, 70 bar

Tool measurement

BLUM laser

Workpiece measurement

Infrared measuring probe

Kinematics measurement

Cycle 996 + measuring ball

Set-up mode

Electronic handwheel

Software options

Simulation, residual material detection, DXF reader
