

Knuth Starchip 560 L

Product code	89-001428
Manufacturer	Knuth
Model	Starchip 560 L
Type	CNC lathe
Condition	Used machine
Control	Siemens 828 D
Year of manuf.	2023

In general

Turning diam.
Turning length

560 mm
1000 mm

Spindle

Technology
Speed (max.)
Power (max.)
Bar capacity
Workpiece clamping

Belt-driven spindle
4500 rpm
15 kW
65 mm
3-jaw chuck; Autogrip 3H-210

Tool carrier (X/Z)

Technology
Tool holder
Traverse path X / Z
Rapid traverse X / Z

Turret with 12 stations (BMT-interface)
BMT-interface
200 / 1050 mm
30 / 30 m/min

Tailstock

Technology
Travel
Cone

Programmable
900mm
MK5

Equipment

Chip management
Coolant management
Raw material feed
Set-up mode
Lubrication management
Other equipment

Chip conveyor with chip bucket
High-performance coolant system with coolant pump
Bar feeder interface
Electronic handwheel
Automatic central lubrication
work light; flushing gun
